The information presented here is intended as background data to assist in product evaluation and verification. The product features, properties, characteristics, and performance data have been determined through sampling and testing during product manufacture. A material used in a particular application must be tested by the customer for suitability for the intended use, and the customer assumes all risk and liability whatsoever in connection therewith. This document will not form any part of ensuing sales contracts.
Storage and Shelf Life:
Two years when kept at room temperature, in low humidity, out of direct sunlight, and in the original packaging.

Safety:
Customers/Users have full responsibility to determine the suitability of Sarasota Medical Products for applications in their businesses. Customers should perform their own assessments on final products in compliance with applicable regulatory requirements.

Limited Warranty:
All statements, technical information and recommendations concerning products sold or samples provided by Sarasota Medical Products are based upon tests believed to be reliable but do not constitute a guarantee or warranty, and the purchaser is responsible for determining whether a product is fit for a particular purpose and for the product’s application. All products are sold, and samples of products are provided with the understanding that the purchaser has independently determined the suitability of such products for its purposes. Sarasota Medical Products warrants the Products to be free from defects in material and workmanship by the time of the delivery (in other words: the initial date of the shipment). Should any failure to conform to this warranty appear (i) during the time period stated on the specific product specification sheet, or (ii) during the time period on the specific product information literature in effect at time of shipment, or (iii) if not otherwise specified then within one year after the initial date of shipment, then Sarasota Medical Products shall, upon notification thereof and substantiation that the products have been stored and applied in accordance with the standards set by Sarasota Medical Products, correct such defects without charge to the purchaser by either suitable repair or replacement in its sole discretion of Sarasota Medical Products at the Sarasota Medical Products location. Such price of repair or replacement shall not exceed the purchase price of the products upon which the liability is based, and Sarasota Medical Products may in its sole discretion refund the purchase price of the product in lieu of any repair or replacement. This warranty is exclusive and is in lieu of any implied warranty of merchantability and any implied warranty of fitness for a particular purpose or other warranty of quality, whether express or implied, except the warranty of title and against patient infringement. No waiver, alteration, additions or modifications of the foregoing conditions shall be valid unless made in writing and manually signed by an officer of Sarasota Medical Products.

Limitations of Liability:
In no event shall Sarasota Medical Products be liable for any incidental or consequential damages, including but not limited to, loss of profit, loss of use of production or loss of capital. The remedies of the purchaser set forth herein are exclusive and the total liability Sarasota Medical Products with respect to any contract, or anything done in connection therewith such as the performance or breach hereof, or from the manufacture, sale, delivery, resale, installation or use of products whether arising out of contract, negligence, strict liability, tort or any other legal theory or under any warranty, or otherwise, shall not exceed the purchase price of the products upon which the liability is based.
